

Hattie Mae Singleton

January 21, 1944 - June 12, 2017

Ms. Hattie Mae Singleton was born on January 21, 1944. She earned her eternal wings on June 12, 2017.

Hattie spent almost 20 years employed with A O Smith Water Systems before her sudden illness in 2001. She was a faithful lifetime member of Shiloh Institutional Baptist Church where she attended with her mother Mrs. Louise Kennedy and later raised her daughter Joyce and grandson Lamont.

Hattie spent the last 14 years of her life as a resident of Golden Living Center where in the early days she was actively involved in all the activities and crafts. Although Hattie was ill she remained a loving and giving person. She often joked with the staff and residents to make them laugh or to put a smile on someone's face. She would give the shirt off her back if someone else was in need. When you visited her she would not let you leave empty handed. You also made her wall of fame, as she would write your name and the date of your visit on her calendar. Hattie remained sharp until her passing and could name all the members of the family and everyone's birthday.

This is truly a celebration as she is now home with the Lord and with her love ones she missed so much.

She was preceded in death by her father Calvin Barnhill, mother and stepfather Louise and Robert Kennedy; daughter Joyce Fetherson Dowdy; brothers James Barber and Calvin Barnhill.

She leaves to cherish her memory; Grandson Antonio Lamont Fetherson; four great grandchildren and a host of nieces, nephews, cousins and special family and friends.
