

Niko Gaither-Harbison

February 8, 2020

Niko Michelle Gaither-Harbison, better known as Niki, age 51, passed away peacefully on Saturday, February 8, 2020, at Mercy Hospital in Charlotte. She was born on August 4, 1968, in Frederick, MD, to John and Mary Jo Gaither.

She was a 1987 graduate of Woodrow Wilson High School, Beckley, WV. She married James Harbison on June 17, 2000. Niko truly loved life through simple pleasure with family and friends, and spending time with her grandsons. She had an uncanny ability to reach people in a deep and positive way.

Niko is survived by James Harbison, Christopher Harbison, Karen Jacob; son and daughter-in-law, Cameron and Chaz; grandsons; sister, Vanessa Gaither; step-mom, Janet Gaither; step-brother, Steven Gaither; step-sisters, Tanya and Cassidy; and many nieces, nephews, and cousins.

We are not having a traditional funeral service, as she would rather have people laughing and dancing versus crying and mourning. Therefore, we have planned a wonderful Celebration of Life Event with great food & drinks, the sharing of memories, and a DJ & dancing. Guests will be allowed to share how she touched their lives. Please also feel free to share any of your memories on her Tribute Wall. You may add a photo, memory, or words of condolences. This is a great way to participate if you can't join us.

Please send plants in lieu of flowers. They can be sent to the funeral home and will be picked up the day of service.

“ My thoughts and prayers are with the family. Those special memories of you will always make me smile. Niki and I grew up together. We were like peanut butter and jelly could not do without each other. We were in same classes throughout elementary school. There are so many stories I could tell but you would be reading for days. The car shows and riding in the back of the green coupe with your dad was the best ever. The sleepovers with your brother Greg guarding the front of the house making sure we was ok. The amusement park and picnics with my family. We were so much more than just friends, I always considered you as family and your family as mine growing up. We were together so much people considered us sisters. I hate that we lost touch after you moved away. Sorry that our kids never got to meet one another. I'm glad that we did get to see one another when you came back to Frederick to visit. I am so grateful that we were apart of each other's lives. until we met again my sister, Rest on, love you!

“ This was one of the sweetest mothers I met, I remember letting her and my boy Chris use my car a few times and she thought my old car was the coolest thing on the road. And she always admired me for some reason lol. She always has a smile on even when she was sick.
