“ To Debbie Springs Woodson and the entire Woodson Family: I share with you in your loss of dear Mother Springs. From the moment I met her in 1973, she showered her love and joy with me and so many other college students she welcomed from UNC-Charlotte. Mother Springs opened her heart and home to me and the many friends and classmates of her children. I will always remember her warm smile, love and devotion to her daughter Debbie, and other wonderful children and grand children. May God continue to watch over Springs and Woodson families as we prepare to celebrate Mother Springs' going home.
