

Adrian Allen Potts

December 15, 1995 - June 11, 2016

Adrian Allen Potts was born December 15, 1995 to Rodney Potts and Essence Bemby in Charlotte, North Carolina.

Adrian attended school in his early years in Charlotte before moving to New Jersey where he graduated high school at Union High.

Adrian was deeply sensitive to the inequities that permeates communities throughout our nation and sought to make a positive impact by pursuing a career as a lawyer. Not only was he a university student he was also a student of the world and thought critically about historical events, spirituality, metaphysics, logic and sociology to name a few. The magnificence of his introspective intelligence paled only in comparison to the magnificence of his brilliant smile.

Adrian was most comfortable as the life of the party, where his infectious personality and welcoming spirit made even strangers feel as if they were lifetime friends. He was optimistic about becoming an integral part of helping this nation to fulfill its true purpose and viewed family as a primary pillar in making this vision a reality. Despite his youth he served as the rock of his family and caused everyone to think more critically, smile more brightly and party a little harder.

His spirit, energy and passion for the greater good will be with us forever.

Adrian was preceded in death by his (grandfather) McArthur McManus Sr.; (uncle) Mc Arthur McManus Jr.

Adrian leaves to survive and cherish the memories of his life; (father) Rodney Potts; (mother) Essence Bembry; (stepmother) Kim Potts; (brothers) DeAndre Bembry, Kameron Miller, and Malcom Potts; (sister) Kimani Potts; (grandfather) Peter Bond; (grandmother) Vicki Bembry and Annie Lois McManus; (aunt) Michele Bond; (uncles) Antoine Bembry and Peter Fletcher; (great grandmother) Bessie Bembry; along with a host of uncles, aunts, cousins, and friends.

Tribute Wall

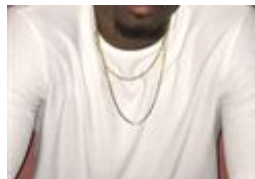

“ My most sincerest and heartfelt condolences go out to the immediate and extended family of Mr. Adrian Allen Potts. Truly this young man was a "mover and a shaker" who positively impacted the lives of many people he came in contact with. Even though I never met Mr. Potts, I know his Mother...Ms. Essence Bemby...a hard working individual who possesses high morals, values and is compassionate. It is obvious that this young man was not only on his way to achieve excellence but he had achieved such at a very early age in life. Please do not question...but accept because God doesn't make mistakes. Now that Mr. Adrian Allen Potts has crossed the bar (something all of us must do at life's end), we must now loose him and let him go. There is a brighter side somewhere and surely Mr. Adrian Allen Potts can walk around Heaven all day. "Excellence is to do a common thing in an uncommon way" (Booker T. Washington). Respectfully submitted by: Artemus Flagg, Ph. D., LPC of Charlotte, NC.
