“ *It has been three years since you have been away from us physically, but not spiritually. I remember you. The family and I look at all your pictures. We remember your smile. We remember visiting the Malls. We remember you at The Living Church. As an Advocate for Domestic Violence. I will continue my crusade to help victims of DV. We love you, we miss you.*

*Aunt Ada.....as you always called me.*

“ *I am so sorry for your loss I hope you can find peace at revelations 21 3&4 where it says with that I heard a loud voice from the throne say look the tent of god is with mankind, and he will reside with them, and they will be his people. And god himself will be with them. And he will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore. The former things passed away.*

“ I hope that in due time you receive God's peace that excels all thought, so that it will guard your hearts and your mental powers by means of Christ Jesus. God is called the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation. A soothing scripture I like is Psalm 34:18 which reads: "Jehovah is near to those that are broken at heart, and those who are crushed in spirit he saves."
