“ Steve:

I was shocked when Cory called me today and told me of your father's passing. One of my best Thanksgivings was the one you and Laura hosted, where I met "Larry". He is one of the finest individuals I've met. He was so cordial and easy to be with. I'm sorry you need to endure the significant loss in your life due to his passing. Had I known of his disease recurrence, I would have prayed for him. I'll now pray daily for his eternal painless peace as well as for you.

My deepest, deepest sympathy to you.

I learned so much from you, especially what it takes to be a father and leaving a mark on life. You were a great man and love by many. Rip Mr. SLOAN
