“ On behalf of the Chisholm Family we would like to express our heartfelt THANK YOU and GRATITUDE to all during our time of loss. The kind words, cards, phone calls, Face Book messages, food, flowers, prayers and thoughts helped lift some of the burden of the unexpected loss of our love one who was a Mother, Grand-Mother, Daughter, Sister, Auntie, Cousin and Friend to many. Please continue to PRAY for our Family. We now have our own personal Guardian Angel.

“ I'm so sad to hear about Angela. She was such a wonderful person. Always full of life, happy, and interested in how YOU were doing. She talked a lot about her daughter and how proud she was of her. I know she's in a good place now.

“ I remember Angela always having a smile and she was alot of fun. We worked together in the retail brokerage group and were both part of the move to the call center. We had a mutual feeling about that and would complain to each other all the time. I do miss her southern draw walking down the hall as you passed her. My thoughts are with the family during this difficult time.
