“ *Family, remember that she was a bright light in our lives. I first met Annie in the 70's shortly after marrying her brother Tommy. She was very outgoing and shared some funny family stories with me. We had a good laugh. Every time we met after that she always had a smile and positive words. I will miss her smile and laughter.*

“ I'm reminded today of the times Aunt Annie provided a resting place for me midway from Virginia to Georgia while traveling for college. Not only did she welcome me into her home, but also fixed a great home cooked meal in true Campbell fashion. Aunt Annie embodies the strength and compassion of being a provider. I know that I was not the only one to benefit from her attentive care. I'm grateful that I was able to hug her neck at our family reunion to receive her special love one more time. I know the Lord has provided a resting place for her as she was able to give others during her time on this earth. Grace and Peace to my cousins; Karen, Kim and Alvin. You are the beloved children of God who will comfort you in your grief.

“ My wife and I are very sorry for your loss. We knew Annie for many years when we worked with H&R Block. I had great respect for her knowledge and as a caring person. Our thoughts and prayers to the family. She will be missed!!
