“ We are sending condolences to Arlean's family. Arlean looked after our 3 children when they were babies at Pritchard Memorial Baptist church in the 1960's. She was always a very caring and loving helper with so many children in our nursery. She also helped with cooking in the kitchen there.

Arlean had such a beautiful smile for all of us. She will be missed greatly.

God bless each on of you who loved her so much.

Elaine and Jerry Rogers
