“ *My Aunt Ann and I had many lunches together with the chicken from the same place. Her family was full of fun and eating well. She loved us all alike and we gave it to her in return. Rest in peace Ann. I will miss you already. My love is still with you. Annie Pride Turner*

“ *Barbara will be truly missed. She was like a big sister to me. I loved her and Chin her husband when I first met them. They were hilarious together. To hear them talk they were meant to be together. Both have been missed since his death and now hers. May they rejoin together at some point in time. Farewell, my friends.*
