“ This is one of the best people who ever lived on this planet. Ms. Barber was like a family member her and her family members were a constant in my family's lives. Ms. Barber and my mom worked together for years at Community Hospital they were always laughing about something and she always gave the best advice. When my oldest daughter was born, she gave us so many baby clothes I didn't have to purchase any until she was two years old. Ms. Barber had the softest sweet speaking voice, the kind that made one feel warm and welcomed. The last time we saw her was my mom's birthday party. It was the surprise of a lifetime for my mom. They hugged and kissed for such long time. My heartfelt condolence to the family Sandra, Shoney, and Erica, we love you sweet lady rest in perfect peace.
