“ My thoughts and prayers are with your family. I was so very sorrow to hear of Beucenia's Death. We had been friends since fifth grade and she sent me the nicest condolences last year at my brothers death. We emailed each other often and talked on the phone occasionally. I have always admired her. I remember how in love she was when she first started dating Jimmy. Again, my thoughts and prayers are with your family.

“ To My Family: Regrettably, I could not make the services for my cousin. However, my prayers & condolences are sent to each & every family member. John 5:28&29, "The hour is coming in which all those in the memorial tombs will hear his voice and come out. We can find comfort & hope from the scriptures, especially revelation 21:3&4.
Be assured we will see Beucenia in the resurrection. Love to all of you!
