“ Nothing but Love, Prayers for Comfort and Strength for Serena and the girls. This is a very difficult loss and brings me to tears just to write this. Brian was one of the most uncommon, sincere, gracious, loving brothers that I have had the pleasure to know. He provided me with good counsel and friendship over the years; coached my son's football team upon a simple request and brought me into the fraternity. It's been over 30 years of friendship and he's been there at the most critical points in my life. He will be missed beyond anything I could express here. Thank you for being a brother.

“ *Brother McCorkle, I sincerely thank you for your friendship of 4 years. I remember my sister pulling up in the parking lot to park and a group of men standing around, in the parking lot of the church on Ashly Road. My memory is that you were the first to come over to the car to help my sister get the wheel chair out of the trunk. It seems like so long ago I was in that wheel chair. And I was and am greatly appreciative when you accepted my request to be my spiritual mentor. As my mentor you were always available and responsive I'm so thankful for the things you shared with me, to help me grow spiritually. Rest in Peace and in Heaven, until we meet again much love brother. I promise you I will ask your wife if there is anything I can do to help her.*
