“ It was hard to see you leave. Only God knows what is best for us. When you left me shortly after me going home, I was devastated. I ask God for signs that you are around me and my kids. I always saw a pretty butterfly no matter where I looked. I can't wait to the day we reunite. I love u and miss you a lot. You are gone but never forgotten

“ They say that the good die young! I loved my uncle so much! He was not only my uncle but he was my friend. It pains me to hear or see another one of my family members go like this and I know that all the pains that life can throw upon us can either kill us or make us stronger. May the Angels of Heaven embrace you in their arms forever!!!!  
I will always LOVE YOU and you will never be forgotten
