“ *I am sadden to hear of the loss of my cousin Carletta. She was a pillar for the Mungo Family through her countless participation with family events. I never knew her on a personal basis, but, I know she represented dedication and outreach to family matters. We will miss her physical presence, but she will forever be in our spirit as we move forward with the love and devotion of the Mungo Family. May God give comfort to the entire Foster and Mungo families during this bereavement period!*
