“ *Mrs McDuffie was a wonderful woman. She and I worked together in Patterson public schools. She often gave me a ride home after work. God bless the beautiful soul 🌸🌸🌸*

“ *Mrs. Mc.Duffie was such an incredible woman. I wished that I could have been there to pay my last respect to her. A few years ago I had the opportunity to talk with her for at least two hours. Mrs. Mc duffie was my second mother. A Christian woman who loved to help people especially the youth. Mrs. McDuffie taught the bible study in our youth group at Trinity Presbyterian church where I still attend today. I am a better human being because of her unwavering love ,and support. I tried to be there but could not get no information on her new home. Yet I know that Mrs McDuffie have the eternal home with Jesus.I will treasure her love deep in my heart. If any family member reading this Mrs. Mc. Duffie was one of the best people that I have ever known. I digress! Thank you sista and may you rest in peace! You are loved, and will be tremendously missed.*
