“ I wanted to be the first to let you know that you will be truly missed by a host of people. You were a great wife, mother, sister and friend. Part of me wishes you were still here, but I know you are in a better place with no worries and I believe that will get me through each and every day. You have earned your wings and have been granted eternal life. With that being said, I love you dearly and may you rest in eternal paradise. I will see again. Love you dearly. Your daughter, Shannon

“ The Cave Family Reunion would like to take this time to offer condolences to the children, sibling and the entire immediate family of Celeste House. We shall cherish our fond memories of Celeste's pleasant presence at our family reunions. The many pictures that were taken over the years at the reunion will help remind us of the beautiful person she was.

God's Word reminds us: "to be absent from the physical body is to spiritually present with the Lord", this is Good News.

In closing, you will forever have the memories of Celeste's effect on your family and you must now live out your role in her legacy. **LET GOD BE YOUR GUIDE.**

*Love and blessings,*
