“ I remember when I first met you in Fairview Homes through Quincy and Penny we grow on each other really quick. I will never forget your sense of humor and your bigger than life personality your smile lit up a room you will be missed by all whom knew you , However you will always live through me and all of your friends and family . You went away ,way too soon see you when I get there..I can honestly say I've never seen you without a smile on your face we have way too many memories it will take up the whole  Internet to Express all the good times. But our memory is something that I cherish for the rest of my life. We've been knowing each other for 23 years.. everytime I close my eyes all I see is that big smile. Love you forever  tell Toya I said hello cause I know y'all together. You and Toya had the biggest smile in the whole group. Rest up Queen no more stressing nomore worrying just straight up celebrating with God in the heavenly angels . I pray that you keep all of us covered while we continue our journey here on Earth until we meet again Queen I love you.
