“ Life like a mist appears for just a day then disappears tomorrow. All that we are can quickly fade away replaced with tears and sorrow. If a girl should die, can she live again, hear the promise God has made. He will call and Amy will answer, she shall live at his command. And she shall live forever as the work of his own hand... So have faith and do not wonder for our God will make her stand, and she shall live forever. By the works of his own hand..... May your family find comfort in knowing that God keeps his promises... (Isaiah 55:11)

“ Prayers for Charlotte's family. I miss seeing her on her bench where we would talk on break. Charlotte was a hard worker, and would help anybody anyway she could. We lost her way too soon.

“ *My condolences to the Plummer family. I worked with Charlotte in the TSA at the airport. She was a professional who always excelled in her work for TSA.*
