“ I was at Piedmont Jr High 1962 . 1963. Claretha was the only black student in the school. I look back on that time and think how difficult it must have been for her but how strong she was. I remember her sitting next to me in one class. I don't remember a lot about that time but she stood her ground in the early time of intergration. I hope she had a good life. Sorry for your loss..
