“ I worked with Clayton at the Catawba Nuclear Station with nuclear security. He was a very humble and caring person that will surely be missed. My son got to play golf with him on a Duke Energy team and thoroughly enjoyed meeting him and being on his team. May he Rest In Peace.

“ I worked with Clayton at Duke Energy. My oldest son had the privilege to meet and play in the "Big Mack" golf tournament that was put on by Duke Energy Nuclear Security at the Catawba Nuclear Plant. My son got to play on Clayton's team and he always asked me, as well as the other team members, how my son was doing. Clayton will always be remembered as a quite and humble gentleman that will surely be missed.
