“ I am sorry to hear about the lost of your dear loved one Cleola Wilson. Losing a loved one in death is the most difficult thing anyone has to goes through. I just wanted to briefly offer some encouraging words to you as you cope with your feelings now. The bible offers a sure hope of a ressurection of our dead loved ones at Acts 24:15. Just as Jesus demonstrated while he was on the earth, he has the ability to resurrect our dear loved ones and give them right back to us as he demonstrated with the family of Lazarus in the bible. Not only does he have the ability, but he also has the desire to. Please look to Gods word for comfort. Jehovah can give you the strength you need to cope with your loss. Psalms 55:22 encourages us to throw our burden upon Jehovah and he himself will sustain you. May you draw comfort and strength from the bible knowing that the Resurrection hope for our loved ones we lose in death is real.
