“ To Lamont and all family members...Liz and I would like express our sincere condolences for the loss of your brother. Although he was a younger brother at the time when we were together in Naples, I didn't get chance to share any time with him as I did the rest of the Robinson family. Therefore, as the days and weeks pass, and as you all return to your life's routine, may you continue to feel comforted by the love and support of your family and friends. I know, as you all know, that he is in a better place today...but he will forever be with you in his spirit and you can also take comfort in knowing, that now you have a special guardian angel to watch over you all. May God bless the Robinson family and may God grant you comfort in your loss. Master Guns
