“ How blessed I am to have had the opportunity to meet D'Andre, as a student at Reid Park Academy. He was such a joy and a "pain in the neck" when he came into the office to see Principal Garvin. (Which was everyday- all day) After he completed middle school, I thought I was "free at last"! But I was wrong. Here was D'Andre, on campus! Smiling that million dollar watt smile. So happy, so full of life. He packed a lot of living in the time he had here and I am better for having met him. He thought me to smile even when I didn't want to.

Thanks for sharing him-
