Your mother and father had a balloon release yesterday for you it was beautiful, the balloons were you and I felt you there. "On 05/17/2015 I saw a video that you made giving shout outs to everyone in your phone. The video was the funniest thing because you was not trying to forget anyone and the video went on and on". That was the one thing about you will put yourself last and everybody first the ones that love you and supported you. You were my huggable baby always. I could ask you to this day give me a kiss and you would slap a juicy kiss on my face. I miss seeing and loving you.
