“ *To the family,
I'm truly sorry for your loss. I've known Dallas since he started as a freshman at West Charlotte. I've watched him grow and mature and he was always respectful. My prayers are for both families at this time.*

“ In my short time of knowing Dallas' sweet and gentle spirit, I am honored to share a memory. I will forever cherish Dallas allowing me to call him by Nephew's name due to resemblance in mannerism, respect and kindness. The heavens have welcomed Dallas with open arms and will be sure he takes his graduation stroll. Dallas was so excited to know that this great accomplishment was so close at hand. I am so honored to have shared positive affirmations with this young man each morning and at the end of his school day. CTurner-Drakeford
