

Danasia Brown Elder

August 14, 1990 - January 29, 2025

Danasia Shayanna Brown-Elder was born on August 14, 1990, to Taquin Brown and the late Lennette Huff. Due to unforeseen circumstances, she departed this life unexpectedly on January 29, 2025. Danasia began her early education in Brooklyn, NY, before relocating to Charlotte, NC, where she graduated from Vance High School. She continued her studies at Central Piedmont Community College, majoring in Human Resources, and later attended Kaplan College, where she earned her certification as a dental technician. Upon graduating she was passionate about finding a career that aligned with her interest. She finally secured her ideal position at American Airline as a flight attendant. Her enthusiasm was limitless. She displayed an unwavering and boundless passion for her role. She approached her work with dedication, earning the admiration of her colleagues and passengers, with her infectious smile, energy, radiant personality, and strong work ethic. Danasia had a deep love for cheerleading during high school, and she found joy in dancing, attending family gatherings, and, most of all, spending quality time with her husband and children. She was preceded in death by her mother, Lennette Huff, her brother, Shakai Gordon and uncle Rodney Brown. She leaves behind a lifetime of cherished memories with her husband, Damian, and children, Cayden and Dallas. She is also survived by her father, Taquin; her stepmother, Jasleen; her siblings, Dajour and Dereon; her stepbrother, Jahad; her grandparents, Lurene and Timothy; her uncles, Joseph, Vordell, Darryl, Sean, Haji, George, James, Doyin, and Hassan; her

aunt, Cathy; nieces, Eliana and Eryian; as well as a host of cousins, extended family, and dear friends. She was also deeply loved by her mother-in-law, Tiffini Elder; father-in-law, Clos; and her loving godparents, Toyami and Hassan. Danasia's light, warmth, bravery and love will be forever missed but never forgotten.

“ I was deeply saddened to hear of the passing of Danasia. Please accept my heartfelt condolences during this difficult time.

Flight attendants are more than just crew members; they are caretakers in the sky, ensuring the safety, comfort, and well-being of every passenger they serve. Danasia dedicated her time to making journeys safer and more welcoming, and her kindness and professionalism will never be forgotten.

May you find comfort in the memories you shared and the lives she touched. My thoughts are with you all.
