“ *I have so many memories I wouldn't know where to start or end. My mother was the biggest reason why I accomplished anything in life. I loved to please her. Loved to see the look of a proud parent admiring their creation.... I really miss my mother. And I always will. She was everything to me....I feel so lost without her.*

*You may not remember me but I was a friend of Manny's something in my heart thought about Darlene. She was a waitress in the small mall in Rochdale. I googled her name and saw this. Please accept my deepest condolences.*
