“ I was so sad to hear of Deborah's death. She was a beautiful fun person. A pure joy to be around. I will miss her dearly.

“ God has called Debra home to rest!! And She being well taken care of Because God knows best!

Dear Diedre & Family I'm really sorry to hear about Debra. We both know that she is now in a better place. I know how much her pain caused you sorrow and grief, and I find it extremely difficult to see you bear it. Your Sister will always be with you; her spirit and good will be part of you no matter where you go. I know that you wanted & needed, and hoped for more time to spend with your Sister, but the time you did spend with her meant so much to him. Your Sister loved you very much and I know you will miss her terribly. I wanted to let you know that I am here for you at any time you need me - just to listen, or to talk. I already told you this, but I wanted to say it again. Please, don't hesitate to call me at home or work. With my deepest sympathy, your friend Riette & Kim Morrison

“ My thoughts and prayers go out to the family...such sad news. I worked with Deborah for several years at the airport. She was a great person to work with and always so full of life.
