November 26, 1972 - June 13, 2020. Delphine Agbowou Codjie, age 47 of Kernersville NC passed away on Saturday, June 13, 2020. She was born in Togo, West Africa to Albert Anato Agbowou and Christine Agbomedzi. She spent most of her childhood raised by her aunt Ayaba Agbomedzi. Delphine's family meant everything to her. She was survived by her 3 children Henoc, Olivia, Faith Codjie, her husband Stephan Codjie, her mom Christine, her aunty Ayaba in Lomé Togo, her cousin Emile Agbowou in Raleigh NC, her friend Charity Ado of Chicago IL, her uncle Gozan Koffi Akakpo of Moline IL, a lot of siblings, cousins, nièces and nephews, relatives, coworkers and friend. Delphine was always dedicated to helping people, going to medical school to become a nurse. Even after she moved to the United States, she worked hard to become a Licensed Practical Nurse (LPN) so that she could continue to work in the medical field. Unfortunately, even though Delphine would work to help others, she had to battle with Pulmonary Scleroderma disease. Despite the difficulty the condition was causing her, she managed to spend the years leading up to her death working in hospitals/ home care systems taking care of those who could not take care of themselves. In the end, the disease won and she passed to the great beyond.

Delphine was a member of Gate City Vineyard Church, Greensboro NC
Delphine will be missed forever and May she Rest In Peace.
