“ *Marcus,, my heart has been broken since your dad told me of your untimely death. I will always remember the last conversation we had when I called you in Atlanta a few weeks ago. You told me that you wanted to come home. Heaven is the home you were speaking of and only God knew his plans to take you home. I will miss your energy and smile you had every time you came into DMV. God you have a wonderful young angel.*

Farewell my adopted nephew. Love you much
