“ My condolences to the family. Denise was special to many as that was just her spirit. I shared with her times when my mom was battling health issues. It wasn't a day that went by when she seen me that she didn't ask how my mom was. Even 10 years later. I miss her dearly. I can hear her saying “Awww Deb.” RIP Denise

“ Denise was an angel of a human being. I remember going to her desk to chat when I was down. I'd always leave feeling better. She emanated positivity. On our last phone call in late August, we stated "I love you to each other" Did not think that was the last call. Bask in heavenly glory Denise.

“ *Denise was one of the kindest, spiritual, and pleasant people I have had the privilege to know. We worked together, in different cities, for almost 15 years. We lost touch after she relocated into the home she was so happy to move too. I miss the “smile” in her voice, her “Happy Friday” emails and, mostly her laughter of joy! I am so sorry for your loss and the incredible loss through out your family. I pray your faith, her smile, family and friends help you find comfort. May she Rest In Peace and watch over you all.*

“ To the family, I always admired your mother's caring and selfness nature. She was always giving, supportive and a pleasure to be around. I remember our early morning talks at work -- imparting inspiration and encouragement to each other and lots of laughter. I offer my deepest condolences to your family during this time. Your mother was amazing and she will be truly missed. Nothing loved is ever lost, memories of Denise will remain and her love for us and our love for her lives on forever.

*Gently, may peace replace heartache.*

“ Denise! I miss you so MUCH! I will remember all praying together, cutting up together laughing together and singing old rap songs from way back in the day. Man! I missed you at work when you left for NC, but at least I could talk to you and cut up over the phone. Now you are present with our Lord and Savior Jesus Christ. You are truly in a better place!

*I will forever LOVE You Denise Annette McCoy Rutherford!!!*
