“ I am having a hard time grasping at the fact Of never speaking with you again. You've always been apart of my heart, and I will forever love you Earl... Over 35 years of friendship, and love! I will miss you dearly. We would have disagreements, and it never stopped our love for each other. R I P My love, my friend, my heart... I will never forget all the times we shared together. “ I must send my condolences to the family. I truly do understand the pain that your going through because I have been in this place myself. Earl has been such a long and dear friend to me for over 20 years. We met while I was finishing Culinary school and he was at Golden Shrimp on Beatties Ford. From that time on we spent some great years together talking and hanging out. The last time we saw each other I picked him up in September and we had a fun-filled evening of catch up and laughter. I only have fun memories of him and marvelous things to say of the kind, sweet, highly intelligent and articulate man he was. May you all keep the find memories of him alive and know he was respected and loved by many.
