“ *My uncle Edward was loved by all of his neices and nephews. We all can tell many of beautiful things concerning him. During his young years, he taught us baseball, horseshoe, walking a large can , riding the mules. He pet black pig that he love before going in USA Service. We knew our uncle as knowing how to hold a wonderful conversation without getting out of place . Yes, speaking in behalf of all of my first cousins , we loved our Uncle Edward Glover JR.*
