“ Elizabeth Miller was one of my mother's best friends. My mother's name is Bessie Williams. I can remember curly head Billie since I was a young girl and she was a family person with siblings that she loved and my mother speaks of her kindness as one that could not be matched. I'm sorry to hear of her passing and I speak for my mother because she was very sad when she heard the news and even sadder when she couldn't make it to her memorial. I was also sad to hear of her passing and I want her family to know that she was loved, not only by her friend but also by the children of her friend. We ask God to forgive her and grant her Paradise and that we keep her in our memory through prayer. May God be pleased with her. Ameen.

“ *Billie this is really breaking my heart & hurt. I have always looked up to you from a little girl growing up in Willington, SC, you were cool & always made a fashion statement and you loved you some Guilford Allen and Miller, oh yeah and Curtis, can't forget Boot.... You loved your family and we loved you. You made my husband feel welcome to your home the many times we came to Charlotte and he loved when you would cook salmon patties and made his special from everyone else. There are so many fond memories of you, too many to list, I just know that my heart is heavy, tears are falling and we are going to miss you, just wish I had followed my mind and came to see you a few weeks ago as planned, I guess it's true that tomorrow is not promised, but one thing for sure you knew that you were loved by so many, especially me. It will never be good bye, but see later. I love you Billie more than I could have ever shown you. Sleep in Paradise dear cousin.*
