“ *Your wings were ready, but my heart was not. I miss you so much. Your Legacy will be remembered forever. I’ve felt your absence every day in my life since you gasped your last breath with me. I will never forget you. A part of me is still lost, and I’m wondering if I will ever get it back. Maybe that piece is in your heavenly home with you, and someday you can put it back in me, and I will be whole again. You were a phenomenal mom number one the best in my eyes. I was so blessed to have you. Mom, you were fantastic, amazing, stunning, awesome, loving, creative, giving, and kind. I learned to give to others and be generous by watching you. I will forever treasure the precious moments and memories we shared together.*

*Thank you, Mom, I love you!*

*Your Lovely Daughter,

“ To the family may GOD continue to mend your hearts and give you strength. I had the honor of assisting MS. Street and gained love and laughter each day. I will truly miss her.
