“ *We follow a pathway that has no end as we travel through life day by day. Together with those who are dear to our hearts and are there by our side, come what may. But sometimes a loved one must travel ahead for reasons that aren't always clear. And we're left behind to continue along, missing the one who is no longer here. And while it may seem that the pathway has stopped, it merely has rounded a bend and our loved one goes on to a much brighter place down the pathway that has no end. Please accept our heartfelt sympathy on the passing of your wife, Emylean...
