“ To the Bullard family....Jorel and I are so very sorry for your loss. We will miss Nisha”.

She was very instrumental in helping raise my son Jorel when she was married to Jimmy and I could not have asked for a better person to trust with my son's welfare. She loved him and treated him no different than she did her beloved son, John. I will be forever grateful for all the positive and good things she deposited in my son's life and we will never forget her.

Hopefully, she is at peace...no more suffering and we hope to see her again.

Our deepest condolences to the family. I know the pain is very great right now but just keep trusting in God and it will lessen as time goes on.

Love, Jen & Jorel
