“ *To Barbara & Linda:*

May your hearts soon be filled with wonderful memories of joyful times together as you celebrate a life well lived. Take comfort in knowing that now you have a special Guardian Angel to watch over you. Our deepest condolences are with you and you are in our thoughts and prayers. Just look to the hills whence cometh all your help and God will bear all your heavy burdens. If God brings you to it, he will surely bring you through it because he will put no more on you than you can bear. May God continue to keep and bless you.
