“ Gary, this is hard.. even two weeks later I'm still in shock. My heart hurts and is conflicted because I miss you, yet I know God had bigger plans. Everything you did, flowed from that big heart of yours; which allowed you to touch so many people in ways I don't even think you knew. You have truly been an inspiration and set the example. You were an unexpected blessing in my life and I am so grateful that God saw fit for our paths to cross. I had no idea that the last conversation was just that, but I am thankful for all the conversations,time and memories with you. I am praying hard for your children and the rest of your family. Until I see you again, I love you always ❤️❤️

“ This is shocking to say the most. If it's one thing you were that was a true friend and gentleman, always opened doors and was always there when needed. Heaven definitely gained an angel.
