“ Yes, I dad do something fun. I went simnmiwg at Wet n'Wild water park and talked to you while I was on the way with a bunch of kids in the back of the pickup with Abby, who went with me too. I did a pretty good job with the backstroke. I think the kids are about to beat me at simnmiwg, so I hope I can hold up a little longer. I remember I didn't do such a good job when Darla was at Ft. Coob Lake, but an old indian helped us out, and I gave hime all the watermelons I had. I'm still growing tomatoes, green beans, squash and cucumbers. I hope I don't have to reward anybody with melones (cantaloupes) or sandias (watermelons), because they don't grow too good in El Paso, although I trying my luck again at pumpkins. Anyway, thanks for the memories, son, but remember; mine's the 10th, and your's is the (seven)teenth. Love always, Dad.

“ Losing someone that was truly loved is difficult. The Bible comforts us at Ecclesiastes 3:11. “Everything he has made pretty in its time. Even to time indefinite he has put in their hearts.”

“ Reggie,
My heart aches for you and your family with the passing of your mom. I know she was not only your mom but also your best friend. I'd not been blessed to know your mom but I do know that Heaven just received the most special and precious Angel. Your loving and caring spirit is a direct reflection of your beautiful mother. Our love and condolences, Terri & Taela B.

“ I first made an effort to meet Gloria at a Davidson College event because I admired her beautiful hair. Later, when I got a chance to work with her, I found she was a beautiful person through and through. Davidson College and her Davidson College coworkers are better for having known her.
