Tribute Wall

MM

“ *I am so sorry for your loss. I know you love and miss Mr. James, and at times the pain may seem unbearable, may it help you at such time to know that God says: Draw close to him and he will draw close to you (James 4:8) and then he will give you and your family the needed strength and comfort for you'll to continue on. Please find some help from these facts in your difficult days ahead.*
