“ Jeannine my friend I can't believe that you are gone and I just found out today (3 years later). I was just checking my Facebook contacts and cleaning up all the spammers and then decided to check your pics and see what you are up to. The last time we spoke you had just moved to NC and we had discussed meeting up, but sadly we never did. Rest In Peace. Busani

“ I was blessed to meet Jeannine a few years ago when she was in Austin, TX running the 26.2 mile marathon. In that brief meeting, after such an awesome achievement, she was radiant and humble! I am proud to have shared space with Jeannine, even if only for a few minutes. My love and prayers go out to Beverly, Curtis, Bryant and all of the family! May God bless you and keep you close always. -- Gloria Allen
