“ *My deepest condolences to Jeritha's family. I just today learned of her passing. We met at Wilmore Center for exercise class. Later I saw her monthly at Wilora Lake on Sundays for church fellowship. I was the musician on the ministry team. I made a flower wreath for her room door several years ago.*

*To the family, may you feel God's love today and in the days to come. Prayers for your peace.*

“ *Jeritha was a member of the Wilmore Community Center Fitness class (sponsored by Arthritis Patient Services) for many years. Though she had not been attending for some time, I will remember Jeritha for her warmth of character, kind heart and her willingness to try out new things in class. I am very sad to learn of her passing and will remember her fondly. My condolences to her family and friends.*
