“ We were classmates from first grade through graduation. We never argued or fought. You were such a composed, gentle person. I'll never forget you or the Face Book live video's posted by your granddaughter. RIH and enjoy fishing and gardening on the other side. <3

“ I will always remember my uncle Joe for always being nice to me and that beautiful smile. He always believed in me, and let me know he was proud of me getting my degrees. He always called my mama and said, “Tell Shiesha I asked about her and I'm still waiting on her to get rich.” I love and miss him so much that it hurts, I will never forget him and I send my love and prayers to the family.
