“ I’ve known Johnnie since since junior high school, we met while playing against each other I was at Northwest and Johnnie was at Wilson, as faith has it we both entered high school at Harry P Harding where we both played JV and Varsity basketball, Johnnie also played football. During our time in high school we became very close friends, Johnnie had a good sense of humor and always had a story to tell, he enjoyed life and being with friends. Truly a great person and he will be missed by all of the many friends that knew him. Rest in peace my brother! Rod (Figgy)Fuller

Just know that anytime your day get hard and you are miss him more to always think of something that he did that made you laugh or smile. May God cover you all.
