“ *The family and friends of Mr. Benson have my deepest sympathy. As you all go through the grieving process please find some comfort in knowing that God promises to bring a time when all pain and suffering will be eliminated. Even death will be no more. - Revelation 21:4*

“ *Johnny only spent a couple of 'quick' moments with me. He showed up to visit me once when I was 6 years old, and again the day of my High School graduation. Five years later, we kept in touch for 3-4 months. After that...nothing. I may be his "First Born" (daughter), but to me EVERYTHING was First to him except me. He never told me truthfully anything about him. Not his full name, his true age. He would tell me that he Loved Me. He didn't know me- how could he? I'd ask to visit him, but there was always some sort of 'job to do', or 'place to go'. Yet he'd say he was coming to visit both me and his granddaughter. She NEVER met him because of his instability...Out of him, I never had either a dad or a father...I never knew Johnny Lee Brenson. I can't honestly wish for him to Rest in Peace until I speak my Peace. The riddles of life he'd put me through just wishing to see him. I wish I'd known Johnny- Father, friend or both.- Another Tragic Memory, Portia Y Allen-Grooms*
