“ *It is hard to find the words to say how sorry I am for your loss. But I can find the words to say how such a beautiful, fun-loving person your mom was. Never a bitter word, always and I mean always making me laugh. She was always cheerful. Even when something she didn't like she would always laugh and say "oh well" and laugh again and start making jokes, and we both just laugh, laugh. We need more people like your mom, AUTHENTIC!! “ *Karen was a gentle kind soul whose laugh was so genuine! As neighbors, we would talk about all sorts of things. She loved to talk to my little dachshunds & share my joy watching them play! In the last several months she & I texted one another almost every day. I will miss her greatly!💕💕*

“ *A Life Journey Of Friendship....*

Karen and her son Timothy lived in the same single parent community in Charlotte NC; called Valley View. We watched each others children, kept my three sons and her one busy through out the years, by being a part of the Johnston YMCA Teeball, Baseball, and basketball teams. We encouraged each other routinely; helped when one may need some flour or an egg. We Both had Our Faith in Jesus Christ and believe Jesus would get Each of Us to were he had planned for us to be at his appointed timing. Yet Time continue to go by and life, careers, directions and choices took each of us in a totally different direction.

Yet through out the years I often thought of Karen Brake Mapp and Little Timothy. (For that is how he was when we last saw each other.)

Then as my prayers went up to seek the Lord in wondering were Karen and Timothy was....

Our middle Son David called me one day to chat as he often did and shared that him and Timothy Had reconnected on Facebook. This was once again the Lord Jesus answering my prayer. Timothy and I was able to connect last year and it was such a blessed reunion over the phone and face time. Timothy as our three sons have grown up to be men with now families and children to continue the training and up bringing that Karen, me and so many single mom's and dad's at Valley view apartments did on a regular bases. Yet we could not see back in the early 90's today's manifestation. The Lord Blessed and Kept each of us and enabled our children to become adults with now families of their own.

Karen may you rest in the arms of Jesus. May you be at peace and comfort. Thank You for being my friend, even though our journey in life school took us to different directions. Thank You for encouraging me that Friday when I was so stressed, and over whelmed, all because my confidence was low. And at the time, I did not know the Lord Jesus as we have come to know him. For I was wanting to know the will of God for my Life. And the Lord Jesus sent you over to my apartment (You Karen, not knowing I was going through this.)

All to give me the holy word God told to you to give to me: "Paula stop worrying for God got you and the Children."

After you gave that word, you hugged me and left. Not knowing that those simple words would set me on the coarse to my Spiritual journey with the Lord Jesus and Holy Spirit.

Thank You for recently (Year 2021) answering your phone when you gave Timothy permission to share your telephone number after all of these decades with me. On that call, it was obvious and notice that something traumatic had occurred in your life, by the sound of your voice and your inability to not want to chat and catch up. It was sad to realize this.

So in getting this your Obituary announcement that you had transitioned back to the Lord Jesus; was a hit to my spirit and heart. So Karen Brake-Mapp you walked your steps and completed your journey. May your heart, spirit, and Soul rest easy until we meet again.

In Jesus name we pray... Timothy love you and we are here lifting you up in prayer for peace and comfort for you and the family.

Reach out when you are able.

Peace & Comfort unto You....Amen

Sincerely,

Ms. Paula Frazier

“ Hi Tim and family, there are so many memories I have of your Mom. She was so funny and caring. One thing, I remember her saying to the children that loved her, "Sounds like an excuse". Many more sayings. She liked to play games. She loved her birthday celebration that you planned for her. She loved her family and her three grandchildren. She loved my sons, Jon and Matt. She also liked it when I told her stories about my granddaughters. Avery and Koren are the same age. She encouraged everyone and I will miss her. I am happy she is in HEAVEN!!! Tim, stay in touch and reach out to me if you need anything. Love, Kim Crowe
