“ *I'm still in disbelief...so many memories. Forever my friend.*

“ *Still in shock for the loss of my dear friend Kay. He was like a brother to me, he looked out for my mom while I was away in college. He would always stop by to visit when on the south side of town. I could tell so many stories of the memories he left behind. All of which were great memories that will always keep me smiling. Kay was a sweet, caring and loving friend, I will never forget his laugh or his smile, his great sense of humor and the many Blessings God allowed him to share with me and my family. I miss him so much. R.I.H. my friend. Love you forever. Sylvia B.Hampton💖
R.I.H uncle Kay- love Brenden Hampton. 💙*
