“ Kelly and I were in advisory at Girls' High each year as well as early gym classes. We use to have a lot of fun. I have great memories of our time together. Kelly was a force to be reckoned with for sure, even back in the day. I will hold her family and friends in my prayers.

“ I graduated from high school with Kelly and although we haven't seen each other on years, I was still very saddened to hear of her passing. Her Girls High family are praying for her family. GHS #234

“ Kelly- may your beautiful soul Rest In Peace. You were a pleasure to work with and to get to know. May the Lord bring comfort to your mom and Morgan as they mourn your untimely loss 🙏
